**George Smith from the Edmonds Daybreakers Rotary** came to speak to MAMBO about purchasing tickets for Jazz Night  
Jazz Night will be held **May 18th**

**The Goal is to raise 10k.** The money will be used for scholarships.

Tickets are \$5.00 each and the winner receives \$1K.

The drawing will be held at 3:00 - need not be present to win.

Pre-Tickets purchased must be in by May 1st the same evening as the Art Walk.

The tickets that MAMBO purchases will raise \$2.00 to come back to MAMBO and the remaining \$3.00 will go to scholarships that the Rotary will grant to senior students within the Edmonds District.

Students may not sell tickets.

Jazz and Vocal will be held at Northsound Church

Edmonds Theatre will host the Instrumental Combo and the Big Bands will be held at the ECA.

### **We then discussed the Auction**

Rachel, Mark and Vanessa dedicated a ton of their time toward the auction both pre and post.

\$16,053.79 was netted after expenses from the Auction.

We are just a tiny bit behind the \$\$'s raised last year.

Octria is a great source although it had a few glitches.

Next year we should consider software at the bar as well as at the dessert table.

How can we increase sales and what are other ideas do we have for next year?

1. Need to push more people purchasing entire tables - perhaps have a greater incentive?
2. Have music playing during dinner.
3. Perhaps a different chef/caterer next year?
4. SKU's on items pre-completed on computer.

Cynthia has indicated that she is interested in chairing the auction next year.

The Mattress Event still has a better net.

Comedy Night was held at the ESD

Tickets \$7.00 a ticket. The Edmonds School District will cut us a check for a portion.

We will follow up on this.

The Go Fund Me fundraiser is still up in the air. Because we are a 501c3 we need to be cautious about what we allow. Other suggestions were a carwash or something else that could offset the students costs.

### **Art Walk Update from Rachel and Dian**

Rachel and Dian met with the teachers and are in the preliminary planning stages

Orchestra and Jazz to play that eve

Suggested that teachers possibly produce a short informational video to show what occurs in the arts this could then be shown at the Middle School as well as in Art Classes and other interested parties or when trying to raise funds.

Rachel and Dian will provide a timeline of the evening

Request from Samantha -Art Teacher for 4 stools or \$210.00 to replace all.

Also requested help with the clay extruder \$434.00 (an extruder gets rid of excess water)

Rachel Dobbins motioned to approve the request

Dian Long seconded

The motion was approved unanimously
