

## **MAMBO Students of the Month**

### **What is it?**

The Meadowdale Arts & Music Booster Organization would like to recognize outstanding Senior students through awarding them MAMBO Student of the Month. Two Senior students will be selected per month during the school year. They will be featured on the website, social media, in the Maverick newsletter and in the Arts display case in the hallway by the Black Box. At the end of the school year, all MAMBO Students of the Month will receive a \$100 award.

### **Who can be nominated?**

Any Meadowdale High School Senior who is in the visual or performing arts. This includes music, drama, improv, creative writing, photography, dancing, drawing and other fine arts.

### **Nomination is easy!**

Teachers or advisors nominate a Senior student they feel is worthy of the award based on outstanding accomplishment, leadership, contribution, or improvement. Simply write a brief description highlighting the reasons why you are nominating the student and email to a MAMBO board member (or [info@mhsmambo.org](mailto:info@mhsmambo.org)). All nominations will be put on a ballot to be voted on at the monthly board meeting. Nominations are due by the Tuesday before a board meeting (usually the third week of the month).
