Winter Concert

The Concert was outstanding! It was a packed standing room only crowd.

David suggested that our group consider using the ECA as we do not have many expenditures thus far for next year. The cost is approx. \$1000.00.

MLT Great hall is another consideration which is free.

Vancouver BC Trip

The trip is on track. The first \$50.00 payment is due.

In addition, Marysville and Jackson High Schools were invited to help offset the costs of the trip.

At this point 2 of the 4 fundraisers have been completed. The cost per child will be less than \$250.00.

Checking on the price for the chaperones

Drama Update by Katie Walker

On Tuesday January 8th at 7:00 PM in the black box will be Middle School Information Night

Middle Schools are invited in to talk about the Drama program, Improv will perform and drama games will be played.

It was suggested that private schools be invited as well along with K8 schools.

This will be a dessert potluck.

State and National Drama Competitions

There is a list of all students who will go to state. Volunteer Chaperones are needed to drive.

A few students will also go to Nationals again. The cost is \$2200 - \$2300.

The kids get a lot of exposure. Seniors have scholarship opportunities and juniors may audition for colleges.

Registration for this is in February. the group is trying to think of fundraising ideas.

Katie was talked to and she agreed to split the hardship between music and drama.

February 4th Katie Powell- Mitchell will return

The shows went very well!

David suggested a Welcome Spaghetti Feed instead of Barbeque for next Year.

Giveaways and prizes are a must to make it more exciting and to boost interest.

Mark Wright would like to transition from Treasurer to PR as this is something of great interest to him.
